If God Were Teaching the Parenting Class

Judges 13:2-8

Parents have a big responsibility. That comes as a surprise to know one, especially to parents, for whom parenting can sometimes seem overwhelming. How do you know you are giving your kids what they need? God has something to say about that if we will just let Him be our parenting coach.

1. Mark the number of times you hear these words:

God –

Parents –

Children (Kids) –

Owner's Manual

2. What feelings often accompany the birth or adoption of a child?

3. What questions do parents often have about raising children well?

4. What did the angel advise Manoah to do when he asked God to show him how to raise the child God was giving him and his wife?

5. Do you think Manoah was satisfied with the answer God gave him? Would you have been? In what way was it exactly the answer Manoah needed?

6. God's "parenting class" can be found in a few key passages in Scripture.

Proverbs 22:6

Ephesians 6:4

Colossians 3:21

Deuteronomy 4:9-10

Deuteronomy 6:4-9, 20-25

What do these emphasize that parents need to be doing for their kids?

7. How can parents best follow God's instructions for raising kids according to *His* lessons for parenting?

S_____ it.

D_____ it.

L_____ it.

8. What will be most important when our children stand before King Jesus one day?

Faith Talk, Faith Walk

Spend time with family or friends (maybe over a meal or during a family devotional) discussing the following related to the sermon

Faith Talk: What do you think is most important to your family? How do you determine this?

Faith Walk: In what ways do you need to adjust your use of time to put first things first in your family?

If you are here and have been touched or convicted by something said or done today we would love to study the Bible with you and introduce you more fully to our Savior, Jesus Christ. Just call the church office at 795-4377 and we will set something up. God bless you!
