

Sunday AM Sermon – November 21, 2021

The Blessings

Matthew 15:29-38

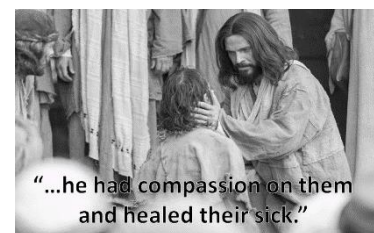

All the resources on earth belong to God. When He decides, they will all be burned up as He introduces a new heaven and a new earth (2 Peter 3, Revelation 21). So the blessings of life are meant to be stewarded well and used to bless others.

1. Mark the number of times you hear these words:
Compassion –
Heart(s) –
Jesus –

2. Why did Jesus have compassion on the crowd He preached to?
3. What is compassion?
4. What do we need in addition to correct theology?
5. What three aspects of compassion did Jesus demonstrate?
6. What does it mean to clothe yourself with compassion?
7. What can keep our hearts from being compassionate?
8. How do you find out about people's unspoken needs?
9. Why might God put people in our path?
10. What kinds of needs must often be met before you can address spiritual needs?
11. What temptations might we face when it comes to action?
12. What was unusual, but inspiring, about the Macedonian church?
13. What is the greatest thing Jesus offers?
