Building

Foundations

Bright Horizons strives to provide a safe environment for children to grow. It is our goal to assist families in building a Christian foundation that will last a lifetime. Our desire is for children to grow in the knowledge of Jesus Christ, His word, and the world He created for us.

Bright Horizons Curriculum

Developmentally appropriate curriculum is in place to meet your child's physical, emotional, social, and spiritual needs. Classes focus on a different Bible theme each month with a daily Bible story and age appropriate activities. It is our hope that the children will come to know that our God is a good God who takes care of us and loves us.

In addition to our Bible curriculum, Bright Horizons offers each class

- Chapel
- Music and Movement
- Recess

Teachers

Each of our classes are equipped with two teachers who follow a child safety policy that has been put in place by our church.

Love and Logic

Bright Horizons has implemented Love and Logic for classroom management purposes. Love and Logic is a

philosophy founded by Jim Fay and Foster W. Cline, M.D., and is based on the experience of a combined total of over 75 years working with and raising kids. It provides simple and practical techniques to help teachers and parents have less stress and more fun while raising responsible kids.
